

January 19, 2018

Dear Lowry families,

It is with regret and sadness, but also deep gratitude for the time I have had, that I am announcing my resignation from Lowry Elementary at the end of the 2017-2018 school year. Recently, my wife and I relocated to Boulder and after much thought and consideration, I chose to work closer to home and pursue opportunities in the Boulder area. Ultimately, this will provide the work/life balance that will ensure my ongoing success as a leader. My journey at Lowry has proven to be an exceptional experience that has enabled me to grow both personally and professionally. The Lowry community welcomed me to the role of Principal with open arms and has gone above and beyond to support our vision of creating an exceptional school where your children can thrive academically, socially and emotionally. We can be very proud of the work we have accomplished in bringing Lowry to a place where we are set to move toward identification as a distinguished school in our district. Be confident that we have put in place sustainable systems and structures that will continue to move forward after my departure. Your children will continue to receive the high quality instruction and care that has been tantamount to my leadership. In the coming weeks, the community will be provided with information on the process in selecting a new Principal for Lowry. If you have any questions, please feel to contact me directly.

In Partnership,

Dr. Cooper
