AUCTION NEWS ~ we will be holding our biggest fundraiser of the year on April 14, 2018. The auction this year will be more than just the auction; it will be a parent's night out! More information will be coming out early next year so keep your eyes and your ears open.

We are giving two tickets to anyone who collects \$200 worth of donation or sponsorships. You can ask anywhere you shop, eat, or anyone you do business with. Businesses can use these donations as a write off so many of them are more than happy to give to our wonderful school. **Make sure and put your name on the form so you get credit for any acquired donations.**

This fundraiser provides so many great opportunities for our children and we would love to have more parents come out and have a fun night while supporting our school!

Thank you for your continued support of our school & our children!
